

## **57<sup>th</sup> ANNUAL CONFERENCE OF LOCAL DENTAL COMMITTEES**

**FRIDAY 13 JUNE 2008**

### **REPORT OF CONFERENCE AGENDA COMMITTEE**

#### **CONFERENCE TIMETABLE**

#### **AGENDA**

1. The Agenda may need to change slightly if any of the debates run over.

#### **DEBATE ON MOTIONS**

2. During the latter part of the morning and resuming in the afternoon, Conference will debate and vote upon the motions submitted by LDCs in the usual way. As in previous years, motions have been divided into subject areas.

We ask speakers to indicate speaking intentions using the slips provided with these papers. Hand them to the Chair Elect on the platform when joining the queue to speak. The slips will be sorted and given to the Chair who will call on speakers by name and not necessarily in order of queuing. The intention will be to give as many people as possible the chance to speak and to ensure that both sides of an argument are covered. The slips also ask delegates to indicate if they have not spoken at Conference before, so that priority can be given to new speakers.

Under Standing Order 9(d) the time limit on speeches is **three** minutes. This limit applies to all members of Conference.

#### **REPORT ON 2007 RESOLUTIONS**

3. The Agenda Committee is responsible for ensuring that resolutions are followed up. We have satisfied ourselves that appropriate action has been taken, or is under way. GDPC's response to the resolutions is listed separately.

## **ELECTIONS**

4. Elections will be held after lunch with results being announced at the end of the day.

## **CONFERENCE AGENDA COMMITTEE**

5. The Agenda Committee has met five times since the last Conference.
