

LDC Allocations - Representatives and Observers 2009

As in previous years, figures have been calculated to include the number of principal dentists with a schedule or registration and the numbers of VTs and assistants per area. If an LDC submitted no figures, last year's figures were used.

Where an LDC has only one representative, the LDC is allowed to send one observer, in addition to their representative.

Local Dental Committee	Representatives	Observers	Number of dentists
