**NAME:     ROGER LEVY**  
**REGION:   ENFIELD AND HARINGEY**

**Details:**

I have represented my LDC for some years with PCTs, and am extremely conscious of the profession's concern at this time of immense pressure. 'Critical engagement' with Government has proved unproductive. We have to present ourselves robustly and coherently. I am well positioned, determined and prepared for the challenge.

I have enjoyed representing Conference on GDPC and would like the opportunity to continue to do so.

**NAME: PHILIP HOWARD SHAW**  
**REGION: CALDERDALE AND KIRKLEES**

**Details:**

Having served my LDC for more than 15 years, as Treasurer and for the last 10 years as Chair, I now relish the challenge of representing my colleagues as a member of GDPC. Decisions made in the next few years will influence the life of young practitioners forever. I wish to be part of that process.

**NAME: PHILIP MARTIN**  
**REGION: LEICESTERSHIRE**

I qualified from Liverpool in 1982 and own two NHS practices in Leicester. I was Leicestershire LDC Chair between 2007 and 2010. I am a dental adviser and I was also on the panel developing the Steele proposals. I believe that what is good for practitioners is ultimately good for patients.
