

**60TH ANNUAL CONFERENCE OF LOCAL DENTAL COMMITTEES
10 JUNE 2011**

Grand Connaught Rooms, London

The New NHS: what role for local contractor committees and LDCs?

In light of the rapidly moving NHS reform agenda, Agenda Committee has proposed that it would be a good idea to engage in a comprehensive discussion about the reforms, including a question and answer session. Members of the panel will include representatives from the Local Government Association, The Patients' Organisation, a Dental Corporate, the NHSCB and a dentist.

It would be helpful if you could submit questions that you would like to put to the panel in advance of the Conference.

If you would like to submit a question please email Will Newport at the BDA with the following information:

- Your full name and LDC
- Your question – no more than 50 words

Will can be contacted on w.newport@bda.org
