

Annual Conference of Local Dental Committees

Grand Connaught Rooms | LONDON | Friday 12 June 2015

EXHIBITION AND SPONSORSHIP OPPORTUNITIES

The LDC Conference is an ideal opportunity for organisations to attract and promote their services to influential decision making dentists from all over the UK.

The 2015 conference will be chaired by Jonathan Randall. The conference is a unique event as the attendance of 250 to 300 influential decision making dentists from all over the UK is guaranteed. Delegates comprise LDC Representatives and Observers nominated by their LDC together with members of the General Dental Practice Committee (GDPC). The event is, therefore, a unique opportunity for sponsors and exhibitors to raise their profile in the profession.

The programme

The programme is compiled by the Local Dental Conference Agenda Committee and includes discussion of topical and political issues affecting the profession. Plenty of time in the programme will be allowed for refreshments and networking in the exhibition hall.

The dinner

The conference dinner will be held on the evening of Thursday 11 June at the Grand Connaught Rooms. This black tie event is attended by conference delegates and invited guests from the dental profession. The evening comprises a drinks reception, three course meal with wine and after dinner speeches.

LDC website – www.ldcuk.org

The website includes online bookings for the conference and dinner and all copies of relevant papers are now posted on the site. This means that the website is constantly being accessed by LDC Secretaries and representatives as well as GDPC members. The website is also a forum for dentists to discuss relevant issues with colleagues.
