

TREASURER'S REPORT 2021

I have pleasure in enclosing the accounts for the Annual Conference of Local Dental Committees for the twelve month period ending on 31 October 2020.

I am very grateful to the Conference auditors, Jonathan Randall and Bruce Porteous with whom I have conferred in preparing the accounts.

The 2019/2020 financial year was a mixture of pre and post COVID. The first few months were relatively normal in relation to claims on the Conference fund, and the last few were mostly reduced claims for virtual meetings, but increased claims for officers having to deal with cancellations and the setting up of the virtual conference.

I virtually exhausted the fund in order to maintain our financial obligations while also delaying requesting contributions from LDCs until October instead of the usual April as there was so much uncertainty for all of us.

I am most grateful to all of the 94 LDCs for paying their contributions to Conference funds so speedily.

We have all learned so much about virtual and hybrid events over the last 12 months and I am very confident that the innovations for this year's conference will build on the 2020 event to provide an efficient and professional platform.

Please do contact me should you or other LDC members have specific questions about the LDC Conference accounts.

With best wishes for an excellent virtual LDC Conference this year.

PETER HODGKINSON
HONORARY TREASURER
