

## Annual Conference of Local Dental Committees

### Hilton Newcastle Gateshead

### 5 and 6 June 2025

---

#### Who are the Local Dental Committees?

LDCs are the democratic representatives of primary care dentistry, established in statute since the inception of the NHS. Each LDC comprises an elected group of up to 20 dentists, serving as local leaders with the purpose of supporting and representing their fellow dentists. Although each LDC is unique, they all strive for the collective good, operating within the framework of a constitution funded by statutory and voluntary levies paid by dental practitioners. LDCs engage with General Dental Practitioners in NHS, mixed practice, connect with private practice, secondary care, community representatives, and other stakeholders.

#### What do Local Dental Committees do?

LDCs provide support to all dentists on a wide range of local and national issues. They possess a deep understanding of the local healthcare landscape and have a unique insight into their specific region. LDCs maintain close and regular communication with NHSE commissioners, advocating for local dentists on developments, initiatives, educational, contractual, and professional matters.

#### About the event

This exclusive event guarantees an audience of 250 decision-making dentists representing the workforce of over 24,000 from all regions of the UK. The 2025 conference will take place in Newcastle and will be chaired by Charlie Daniels from Tees LDC.
